

## Chappaqua District PTA Information and Registration Form

Thank you for supporting the Chappaqua PTA. This outstanding district has always prided itself on the active participation and cooperation of its parents and educators, and your support is imperative to our PTA's success.

- The Chappaqua PTA provides important programming for students and parents.
- The Chappaqua PTA maintains the PTA website ([www.chappaquapta.net](http://www.chappaquapta.net)), manages the PTA email system and helps produce the district calendar, three vital school/community communication links.
- Membership adds your voice to national/state PTAs which provide valuable advocacy services for children.
- Membership is required for participation in PTA-sponsored activities.

### Membership dues are \$15 for the school year for your household

Single Parent Household \$7.50

**One household membership covers all of your children in all Chappaqua schools for the entire school year.**

**Please note that Chappaqua PTA dues are separate and distinct from program fees/dues collected by the individual schools.** (Elementary schools collect class fees for each child. Although collected by the class parents, the funds are not used by the PTA but rather are used by the classroom teachers for extra items or activities. Middle schools collect program fees for school-specific PTA programs and activities. The Class Committee for each high school grade collects dues for class-specific activities.). **If you wish to pay your Chappaqua PTA dues by check, you must write a separate check made payable to the Chappaqua PTA. Visit the PTA website, [www.chappaquapta.net](http://www.chappaquapta.net), for the availability of an online payment mechanism that will allow you to pay Chappaqua PTA dues/donations and middle and high school program fees/dues via a single online credit card transaction for a nominal \$2 transaction fee.** Please also use the link on the PTA website to register your email address to receive communications from the PTA.
