

## 4<sup>TH</sup> GRADE DVD's AVAILABLE FOR PURCHASE

This year, we are offering to our 4th Grade families two wonderful DVDs as ways to remember their child's experience at Grafflin.

### ELLIS ISLAND WEEK:

This DVD covers the Simulation, Ellis Island, and Performance week. It is a walk through the past and the present, culminating with the wonderful, patriotic show the children put on for the school and parents. Our children really enjoyed this week and learned so much. This DVD is a memory of this exciting week for the 4th graders.

### THROUGH THE YEARS AT GRAFFLIN:

A comprehensive look back at your child's years at Grafflin. This video will be filled with photos and video footage of classroom activities, plays, trips and more from Kindergarten through 4th Grade. It will also include interviews with our 4th graders, as they are about to move up and out, on their favorite Grafflin moments and memories. A wonderful keepsake of their elementary school years.

Both DVDs are available only on a presale basis for \$15 EACH.

Please return the attached form by May 7<sup>th</sup>.

The DVDs will be sent home with your child by June 18<sup>th</sup>.
